Hydronic Products

Pumps, Packaged Systems, Circulators, Expansion & Buffer Tanks, Suction Guides, Triple Duty & Balancing Valves, Shell/Tube & Plate Heat Exchangers, Air/Dirt Separators

Semi-Instantaneous Water Heaters, Steam Generators, Heat Exchangers, HVAC Coils, Domestic Water Storage Tanks

Electric/Gas/Steam Humidifiers, Steam Dispersion Tube Assemblies, High-Pressure Atomizing Systems, Water Treatment Systems

Air Separators, Expansion Tanks, Storage Tanks, Bladder Tanks, Triple Duty Valves, Chemical Feeder Systems

Condensing/Non-Condensing Boilers, Storage & Buffer Tanks, Pool Heaters, Domestic Hot Water Plate/Frame Heat Exchangers

Centrifugal Separators, Filtration Solutions

Crossflow & Counterflow Cooling Towers, Closed Circuit Fluid Coolers, Evaporative Condensers

Automatic & Manual Balancing Valves, Coil Valve Packages, Water Source Heat Pump Hose Kits

Control Products

Airflow Measuring Stations and Probes, Pressure Transmitters, Space Pressurization

Critical Controls (Labs, Vivariums, Pharmacies), Room Pressurization, Venturi and High Accuracy Valves

Gas Detection Systems

HVAC Flow Meters, BTU Meters

Building Automation Controls

Air Movement Products

Stand Alone VAV Diffusers, DDC
Controlled VAV Diffusers

Positive & Negative Pressure
Vent Systems

Air Curtains, Air Doors

Spiral Duct (Round, Oval, Single Wall,
Double Wall, Slip Joints)

Fabric Duct Systems

HVAC Hardware/Supplies
Sheet Metal Accessories

Custom Air Handler Units,
Chilled Water Cooling

Variable Refrigerant Flow Systems,
Mini-Split Air Conditioners

Fans, Dampers, Louvers, ERVs,
DOAS, RTUs, Make-up Air &
Kitchen Ventilation

Boiler Flue, Cryogen Exhausts,
Engine Exhaust, Grease Duct

Lindab Spiral Duct (Round/Oval, Single/
Double Wall, Self-Sealing Slip Joints)

Electric Unit Heaters,
Wall/Cabinet /Duct Heaters

Exterior Wall Mount Air
Conditioning Units

Standard and Custom Built
AHRI Certified HVAC Coils

FRP Fans (Induced/Mixed,
Centrifugal, Axial), Acid Exhaust
Systems, Wet Scrubbers

Grilles, Diffusers, Terminal Units, Fan
Coils, Chilled Beams, Noise &
Underfloor Systems

Gas-Fired/Electric Heating
Equipment, Infrared Heaters

Flexible Air Duct & Flow Elbows

AHUs, Blower Coils, ERUs,
Unit Heaters, Air Curtains

Water Source & Geothermal Heat
Pumps, DOAS, RTUs, Modular Chillers
(CTX ONLY)

Destratification Fans, JetVent Fans

Specialty Products

Pollution Control Odor and Grease
Kitchen Exhaust Systems

Air Filtration, Containment Housings,
HEPA/ULPA Filters,
Dust Collection Systems

Vehicle & Welding Exhaust Systems

Air Quality/Purification
Management/Monitoring Systems

Welding/Vehicle Fume Arms &
Downdraft Tables

Link-Seal Modular Pipe
Penetration Seals, Sleeves

Rooftop Support Systems, Rooftop
Crossovers & Platforms

HVAC Silencers, Acoustical
Panels, Acoustic Louvers

Odor Abatement, Gaseous Filtration,
Chemical Filtration, Air Monitoring

Pollution Control Odor and Grease
Kitchen Exhaust Systems, UV-C Indoor
Air Quality Systems

UVC for HVAC
Upper Air Pro+, HEPA Pro+

Outdoor Rated Ductwork

Metal Braided Connectors, Rubber &
Pressurized Expansion Joints, Flexible
Hose, Seismic Connectors

Vibration Isolation,
Flex Connectors, Expansion Joints,
Seismic Restraints, Floating Floors

Variable Frequency Drives, Simplex
& Multiplex Pump Control Systems
(IQ Pump Drives), Motors

Plumbing Products

Pumps, Packaged Systems, Circulators, Expansion & Buffer Tanks, Suction Guides, Triple Duty & Balancing Valves, Shell/Tube & Plate Heat Exchangers, Air/Dirt Separators

Semi-Instantaneous Water Heaters, Steam Generators, Heat Exchangers, HVAC Coils, Domestic Water Storage Tanks

Air Separators, Expansion Tanks, Storage Tanks, Bladder Tanks, Triple Duty Valves, Chemical Feeder Systems

Fiberglass Reinforced Plastic Water Tanks

Submersible Grinder Pumps, Wastewater Pumps, Dewatering Pumps, Axial Flow Pumps

Condensing/Non-Condensing Boilers, Storage & Buffer Tanks, Pool Heaters, Domestic Hot Water Plate/Frame Heat Exchangers

Service Capabilities

System Design

Expert assistance with HVAC and Plumbing system design including LEED projects and high-efficiency central plants. We help engineers and owners achieve optimal service.

Equipment Selection

We partner with the top manufacturers to ensure the right equipment meets your specs-from load calculations to registers and grilles-for maximum system efficiency

Service Department

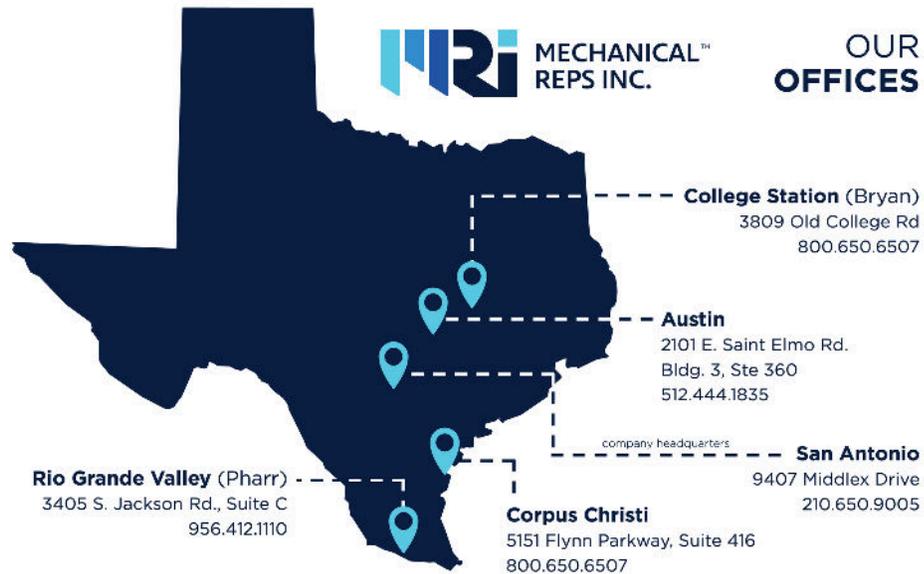

From commissioning to troubleshooting, our skilled service team supports contractors with applied equipment expertise. We provide training for engineers, owners, and installers.

Warehouse

Our site warehouse is stocked with HVAC products ready for pickup or delivery. Ask for our stock book for full details.

AUSTIN, RIO GRANDE VALLEY, AND SAN ANTONIO LOCATIONS PROVIDE WAREHOUSES WITH EXTENSIVE STOCK INVENTORY OF HVAC PRODUCTS AND ACCESSORIES. PLEASE CALL FOR AVAILABILITY.

Values

Faith in God - We believe that our strength and success comes from God alone and are called to be His stewards.

Family - We believe we are more than just a company; we are a family that genuinely cares for one another.

Servanthood - We believe in humbly serving others before serving self.

Ownership - We believe in taking initiative by not waiting on others and taking responsibility to do the right thing as if you were the owner of the company.

Vision

We will differentiate ourselves by making it easy to do business with our customers, having a positive and family-oriented work environment, and by having a strong reputation with tenured and experienced staff and top tiered manufacturers.
